New Year's Eve Program
Residential Retreat

2009 Website Program Description

Would you like to do something really special for New Years this year? During this special time of the year, many of us yearn for a more meaningful way to greet the New Year. With exercises to reflect on 2009, and pattern for the best year yet, TMI offers you that possibility!

But it's not all serious – we have a party planned and all at a very special price!!!

When:

- Tuesday, December 29, arrivals
- Sunday, January 3, departures

Where:

- Nancy Penn Center, The Monroe Institute

Who:

- TMI grads and partners or friends (even if they haven't done a program)

Cost:

- $1595 all inclusive

Here's the program plan:

* Exercises to review the events and changes in your life during the past year, heal what needs to be healed, and gain understanding of what it might be about from a broader perspective…

* A special dinner and party on New Years' Eve, gathering with like-minded souls and greeting 2010 from a different place…

* Patterning and preparing your life path for 2010. Relax, re-energize and look to the future with different eyes, new insights and renewed energy.
